CEASE PUBLICATION ORDER

This is your OFFICIAL NOTICE of the issuance by the Securities Commissioner of the State of Texas ("Securities Commissioner") of an ORDER TO CEASE PUBLICATION pursuant to Section 23.C of The Securities Act, TEX. REV. CIV. STAT. ANN. art. 581-1 et seq. (Vernon 1964 & Supp. 2005) ("Texas Securities Act") of materials published and disseminated within the State of Texas relating to the offer for sale and sale of securities.

- The Staff of the Enforcement Division of the Texas State Securities Board ("the Staff") has presented evidence sufficient for the Securities Commissioner to find that Power Station, LLC; Henry Mauriss; Matthew Buscher; and Douglas Rucker ("Respondents") have made offers for sale of securities which contain statements that are materially misleading or otherwise likely to deceive the public.
- The Staff has presented evidence sufficient for the Securities Commissioner to find that Respondents engaged in the offer for sale of securities in the State of Texas in the form of shares of Class B membership units in Power Station, LLC.
- The Staff has presented evidence sufficient for the Securities Commissioner to find that, in connection with the offer for sale of the above-referenced securities within the State of Texas, Respondents made statements that are materially misleading or are otherwise likely to deceive the public.

Respondents make the following statements in materials provided to potential investors:

- That Respondent Power Station, LLC has one Powerport kiosk unit installed at the Las Vegas Convention Center and a contract for the installation of additional kiosk units at that location;
- That Respondent Power Station, LLC has a "contract finalized" for the installation of a Powerport klosk unit at the Love Field airport in Dallas, Texas;
- That Respondent Power Station, LLC has a "contract finalized" for the installation of a Powerport kiosk unit at the Corpus Christi International Airport in Corpus Christi, Texas.

These statements are misleading because Respondent Power Station, LLC in fact does not have contracts with the Las Vegas Convention Center, Love Field Airport, or Corpus Christi International Airport.

The Securities Commissioner hereby FINDS and is of the opinion that the evidence presented by the Staff shows that, in connection with the offer for sale and sale of securities, the sales materials used by Respondents contain statements that are materially misleading or are otherwise likely to deceive the public.

The Securities Commissioner further FINDS and is of the opinion that the evidence presented by the Staff demonstrates sufficient proof of grounds necessary for the issuance of an ORDER TO CEASE PUBLICATION as provided by Section 23.C of the Texas Securities Act.

ORDER

It is therefore ORDERED by the Securities Commissioner, pursuant to Section 23.C of the Texas Securities Act, that Power Station, LLC; Henry Mauriss; Matthew Buscher; and Douglas Rucker CEASE PUBLICATION, dissemination and use of sales materials that are materially misleading or otherwise likely to deceive the public, including, but not limited to, those materials that relate to the above-referenced offer for sale of securities issued by Respondents and any sales materials substantially similar thereto in connection with the offer for sale or sale of securities within the State of Texas.
