### Recitation of Judgment

On this day, the above entitled and numbered cause was regularly reached and called for trial. The State appeared by her District Attorney, named above, and the defendant, named above, appeared in person, with defendant's counsel, named above, also being present. Thereupon, the District Attorney and the defendant announced ready for trial, and represented to the Court that the defendant, defendant's counsel, and the State's attorney have agreed in writing in open court to waive a jury in the trial of this cause and to submit this cause to the Court. The Court having consented to the waiver of the jury herein, the defendant waived the reading of the indictment, stating he understood the charge against him, and the defendant being asked by the Court as to how the defendant pleaded, the defendant entered a plea as indicated above to the allegations relied on by the State. And the Court, having admonished the defendant as required by law, and the defendant, having received and understood the Court's written admonishments, and it appearing to the Court that the said defendant is mentally competent to stand trial, that the plea is freely and voluntarily made, and that the defendant is aware of the consequences of his plea, the said plea is received by the Court and is here now entered of the record in the minutes of the Court as the plea herein of the said defendant.

And the Court, after having heard evidence for the State and the defendant, and after having heard argument of counsel, is of the opinion and so finds that the said defendant is **GUILTY** of the offense of indicated above, a felony.

And the Court, after having heard evidence for the State and for the defendant on the issue of punishment and after having heard argument of counsel, is of the opinion and so finds that the punishment of the defendant should be fixed at confinement in the above indicated "place of confinement" for the above indicated period and by the above indicated fine.

The Court finds that the offense was committed on the above indicated date. Furthermore, the Court makes the its ruling in regard to a deadly weapon finding, as is indicated above. The Court further finds that there was a "plea-bargain-agreement" between the State and the defendant and that the punishment assessed does not exceed the punishment recommended as per the "plea-bargain-agreement".

It is therefore **ORDERED, ADJUDGED and DECREED** by the Court that the said defendant is guilty of the above indicated offense, as confessed in the said plea herein made, and that the punishment be fixed as assessed by the Court, by confinement in the above indicated "place of confinement" for the above indicated

period and by the above indicated fine.

And the defendant, after being asked by the Court if sufficient reason existed why the sentence of this Court should not be pronounced, failed to give such reason; whereupon the Court proceeded, in the presence of the said defendant and his attorney to pronounce sentence, as follows: It is the Order of this Court that the said defendant, who has been adjudged guilty of the above indicated offense, a felony, be and is hereby sentenced to confinement in the "place of confinement" indicated above for the period indicated above and to pay a fine in the amount indicated above; and that the said defendant be taken by the Sheriff of Fort Bend County, Texas, or an authorized agent of the State of Texas, and by him safely conveyed and delivered to the above-named institution there to be confined in the manner and for the period aforesaid.

The defendant is given credit for the number of days indicated above, from the effective date of this sentence; and the defendant is remanded to jail until the Sheriff can obey the directions of this sentence.

All Findings, Orders, and notations set out in the foregoing "Standardized Commencement" are adopted in this "Recitation of Judgment" and are to be given full force and effect as if set out fully, and the entire document is to be considered as the Court's "Judgment".

SIGNED this the 12 day of October, 2009.
